

HAYDEN BODE

Passionate outdoor adventure guide specializing in sharing what nature has to offer with others.

8596536910 | hbode.5@yahoo.com

For the past five years, I have worked in various outdoor roles and developed a passion for the natural world. I am an avid adventurer, with interests spanning the ocean, land, and air.

Experience

Tour Guide

The Mill at Ward Cove | Ketchikan, AK | 04/2025 — 10/2025

Led 4 different tours, both solo and with a team, for groups of 2-16 people (E-bike, Hike, Zodiac Boats, Sea Cycle). Maintained a steadfast commitment to safety while leading e-bike, hiking, sea cycling, and zodiac tours, ensuring participant well-being and regulatory compliance.

Utilized comprehensive knowledge of local environments to educate tour participants about the area's natural and cultural history, enriching their overall experience.

Outdoor Educator

The Outdoor School | Marble Falls, TX | 01/2023 — 10/2024

- Conducted engaging outdoor educational programs for diverse groups, fostering a deeper understanding and appreciation of the natural world.
- Ensured the safety and well-being of participants during all outdoor activities, including hiking, camping, and nature exploration.
- Led small teams of coworkers in the inspection, setup, and teardown of rope courses and zip lines.

Zipline Guide

Red River Ski & Summer Area | Red River, NM | 05/2023 — 08/2023

- Conducted daily pre-operational checks on zipline equipment, ensuring all gear met safety standards and promptly addressing minor maintenance issues to maintain operational readiness.
- Executed safety briefings for groups of up to 15 participants, clearly explaining procedures and protocols, significantly reducing non-compliance incidents and enhancing overall safety.
- Responded swiftly and effectively to emergency situations, providing immediate first aid and coordinating evacuations, ensuring participant safety and minimizing harm.

Electrical Apprentice

Southwick Electric | Newport, KY | 12/2021 — 06/2022

- Install outlets, fixtures, and conduit in mainly residential homes
- Help troubleshoot any issues and assist in the repair of any diagnosed problems
